

Teams selected to play for BFGBC V Renfrewshire (Scotland).  
16/17 September

Our much awaited club friendly of the season is almost here. The details of the weekend were outlined in my previous communication.

Thank you to those who have put their names forward to participate in any capacity. It is not too late to come along and support these events.

Such events are the lifeblood of our club and are as important as trophies and national finals.

This is my last event at Club Captain after 9 years in this job. It has been my privilege to serve in this capacity, and I'm indebted to those of you who have continually supported me in this role.

My last selection from those who have put their names forward is as follows:
