

Bolton Flat Green Bowling Club.

3. Competition Rules

3.3 Progressive Competition Rules - McNair Trophy - Appendix 2.

1. Handicaps will start at Scratch (0). There will be no minus handicaps.
2. New entrants to the competition will be allocated a handicap by the Competitions Sub-Committee commensurate with their experience and ability and with regard to existing handicaps.
3. Players who lose their first game will have their handicap increased by two (2) points in subsequent competitions. N.B. the game must be played, if conceded handicap remains the same.
4. Players who win their first game will retain the same handicap in subsequent competitions.
5. The competition winner will have their handicap reduced by two (2) points in subsequent competitions, but no lower than scratch (0).
6. The competition runner-up will have their handicap reduced by one (1) point in subsequent competitions, but no lower than scratch (0).
7. Handicaps will remain constant if a player does not enter the competition in any year. Any handicap change is dependant on results in this competition only.
8. All games will start from the handicaps allocated, (not from the difference between the two): e.g. a game between a 2 handicap player and a 5 handicap player, will begin at 2-5, not 0-3.
